Archdiocese of Milwaukee,
To Whom It May Concern,

Below are the facts requested by Nancy Kerns and some other information:

- Our lady of the Vista Chapel is maintained by the Fidziukiewicz Family who lives very close to the Chapel.
- The Chapel is protected by 12 camera system and fire protection system monitored 24/7 by commercial monitoring company. All doors have commercial locks.
- The Chapel has been used exclusively for religious purposes
- Above the Tabernacle is the cross, on the right side of it is the statue of Our Lady of Fatima – the only statue that survived the fire
- The purification sink - installed in the sacristy

Some other statistics:

- The original chapel was built in 1972 and it was rebuilt in 2020 – two years later after devastating (2018) chapel fire.
- Holy Mass at the chapel has been celebrated almost every weekend in the off season and everyday (depending of the priest availability) in the summer season during family retreats, as it is a focal point of every retreat.
- Adoration of the Blessed Sacrament often takes place in the Chapel
- Chapel is used in 90% by Christian Catholic groups
- Few thousand young people and families use the Vista facility every year
- The Original Chapel was Dedicated by His Excellency, the Most Rev. William E Cousins, Archbishop of Milwaukee on August 15, 1973. Copy of the original document that talks about that is in the picture folder.

The past and the present generations of Camp Vista members follow the motto written by its Founder, Fr. Joseph A. Fischer:

“We invite you to join us in our work of preparing the youth of today for Christian life, in the fullest sense, as they are the inheritors of the world of tomorrow”.
