

Just a few weeks after a devastating tornado, Camp Vista experienced another unexpected tragedy. Early morning, on the 24<sup>th</sup> of October, our Camp Chapel was found on fire and it burned completely. It was a place of prayer for Catholics, Lutherans and other denominations, for sport teams and boy scout group, a place of meeting with God for those who believe in Him and for those who still search for Him. We have begun the process of rebuilding the chapel. Because of many custom works required, the process might take up to 2 years. In the meantime, we need to build another structure, that will be used as a temporary chapel – something that we can build faster, hopefully just in a few months. We are kindly asking you to support us in these extraordinary projects.
